UK Managed Services & Hosting Summit 2019 agenda announced

[London, 1 August 2019] IT Europa and Angel Business Communications announced today details of the agenda of the ninth annual UK **Managed Services & Hosting Summit** which will be staged in London on 18 September 2019. The event will bring leading vendors and distributors of Managed Services technologies and solutions distributors and hosting providers together with Managed Service Providers (MSPs) and resellers, integrators and service providers developing their own managed services portfolio and sales of hosted solutions.

The event will feature a range of high-calibre keynote conference presentations including Mark Paine, Research Director, Gartner Research presenting new research on the latest trends in customer buying behaviours - **Working with customers and their chaotic buying processes** – and Igor Pejic, Head of Marketing, BNP Paribas PF AT and author of FT book of the month Blockchain Babel discussing the impact and opportunities for MSPs provided by the latest developments in blockchain technology.

In addition to a range of panel discussions addressing the latest developments in managed services, delegates will enjoy a choice of 20 business and technology breakout tracks featuring presentations by leading experts from: Barracuda MSP, Cloudian, Datto, Fujitsu, Huntsman Security, Mimecast, OnApp, StackState, Auvik Networks, Carbonite, China Telecom, ConnectWise, Dell, IT Glue, LogicMonitor, Ninja RMM, Pluribus Networks, RapidFire Tools, Tech Data and Webroot.

The **UK Managed Services & Hosting Summit 2019** is a management-level event designed to help channel organisations identify opportunities arising from the increasing demand for managed and hosted services and to develop and strengthen partnerships aimed at supporting sales. The event will take place at 155 Bishopsgate, London, on 18 September 2019. MSPs, resellers and integrators wishing to attend the convention and vendors, distributors or service providers interested in sponsorship opportunities can find further information at: <https://mshsummit.com/agenda>
